THE BENTON COUNTY REPUBLICAN PARTY

Civil & Religious Liberty

Protection via the U.S. Constitution Bill of Rights.

Limited Government

Essential to a free society, per our consent, with transparency and accountability.

Rule of Law & Justice

Provided by the government to defend the Constitution, while upholding states' rights.

Election Integrity

Government legitimacy depends on this absolute.

National Sovereignty

Liberty's preservation depends on this sanctity!

Border Security & Immigration

Best protected by fair, enforced policies.

Sound Fiscal Policy

Implement gradual spending controls so spending grows slower than GDP.

Economic Opportunity

Required to ensure each generation is better off.

Support for Families

The cornerstone of a free and moral society.

Quality Education

Critical to equip our children to be responsible adults.

Quality Healthcare

Greatest system best preserved by minimizing government control.

Property Rights

A fundamental relationship between free societies and private property rights protection.

Protection of Agriculture & Natural Resources

Vibrant resources critical to our economic and environmental health.

Energy

Economically-sound energy independence is essential.

Environment

Conservation is inherent in conservatism.
